Posting ID: IN192194EB
Company: WSP-Parsons Brinckerhoff
Position Type: Part-Time
College Major(s): Mechanical Engineering (ME)

Company Website: http://wspgroup.jobs/
Work Location: Tempe, AZ
Salary: DOE
College Level(s): Undergraduate-Freshman, Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior

OVERVIEW

Talent is the essence of meeting our client’s objectives, goals and challenges. Be involved in projects with our Design Team. If this sounds like a fit for you, we’d love to have that first discussion with you joining our team for your next internship.

WSP is currently seeking an exceptional candidate for a Mechanical Intern for our Tempe, Arizona office for Summer 2019. Our Tempe office is located 10 minutes outside of Phoenix, Arizona.

This opportunity is available for a college student in good standing working towards a DEGREE in Mechanical Engineering within an accredited program. The candidate will gain experience in PROJECTS under direct supervision of the firm's leading Mechanical Engineer professionals.

Roles and Responsibilities

- Utilize engineering design, computer and communications skills to assist in developing appropriate solutions for our projects
- Learn basic principles of HVAC and Plumbing system design and become familiar with Revit and engineering software applications
- Perform basic engineering design and production and construction administration services

Education and Qualifications

CURRENT standing as a Freshman/ Sophomore (T5 Intern I) or Junior/ Senior (T6 Intern II) student actively enrolled in an accredited Mechanical Engineering Undergraduate or Graduate Program.

- Ability to work full time
- Knowledge of AutoCad, Revit and or Solidworks
- Interest in innovative design, specifically in renewable energies and sustainable, high performing buildings
- Excellent verbal and written communication skills
- Quality driven
- Ability to drive projects forward
- Ability to perform well under time constraint
- Candidates must be local to the Honolulu area
- The selected candidate must have the ability to work in the United States immediately.

How to Apply
