2019-2020 School of Medicine Student Health Insurance Plan

Health Insurance Requirement and Eligibility

All registered degree seeking School of Medicine students are automatically enrolled in the UNLV sponsored Student Health Insurance Plan (SHIP) unless an online waiver with proof of comparable coverage is submitted before the deadline date and approved. Premiums are collected by the Cashier’s office with tuition during registration.

Insurance Waiver

IF YOU HAVE INSURANCE that is comparable** to the UNLV Student Health Insurance Plan offered through a different insurance company (i.e. through an employer, spouse, parent/guardian, scholarship, etc.), and DO NOT want to take part in the UNLV Plan, you must complete the online waiver process by the waiver deadline date and it must be approved, or your student account will be charged. School of Medicine students are required to submit a waiver once per academic year.

Waiver link: https://studentinsurance.usi.com/UNLV/unlv-som

IF YOU DO NOT HAVE INSURANCE no action is required. You will automatically be enrolled in the UNLV sponsored Student Health Insurance Plan each term you are eligible, (Annual), and your student account will be charged.

Dependent eligibility is voluntary on this plan. To enroll your dependent, please contact USI Student Insurance at (800) 853-5899 between 8:00am -5:00pm (M-F).

**Coverage that may be considered comparable includes (but is not limited to) mental health benefits, in-patient and outpatient services, and prescription medications.

For more information visit http://www.unlv.edu/srwc/health-center/fees.

Where do I go for services?

When you need care, consider the Student Health Center (SHC) on campus as your first stop. They can provide many of the routine health services you need. Services obtained at the SHC are covered at 100% with the annual deductible waived. You may visit any licensed health care provider directly for covered services, except for specific Plan restrictions on certain services. A SHC referral is not required, and it does not guarantee services received will be considered eligible expenses under the plan, nor is it a guarantee of payment. However, when you visit a Preferred Care Provider, you’ll generally have less out of pocket expense for your care. To learn more about Preferred Care Providers, visit www.studentinsurance.com and choose CIGNA PPO Choice Fund.

Insured dependents are not eligible to use the UNLV SHC. The benefits listed in the Schedule of Benefits are available to the insured dependents.

*Providers are independent contractors and are not agents of Cigna. Provider participation may change without notice. Cigna does not provide care or guarantee access to health services.
