Financial Aid & Scholarships
MyUNLV Student Center
### Frequently Asked Questions and Answers

**Does the FAFSA have to be completed every year?**

Yes, the FAFSA must be completed each year the student attends college. Example: for the 2018-2019 academic year, the FAFSA will be available beginning October 1, 2017. The UNLV Priority deadline will be November 1, 2017. To be eligible for many forms of financial aid, the FAFSA needs to be completed by the priority deadline every year.

**Can a copy of tax forms be submitted for the verification process?**

No, copies of tax forms are not acceptable. There are only two ways that tax information can be submitted. You may use the IRS data retrieval tool on FAFSA.ed.gov (be sure to save and submit the form). You may also choose to order a tax return transcript at IRS.gov and submit the document to the Office of Financial Aid and Scholarships.

**Other than the FAFSA, where else can students find sources of financial aid?**

UNLV offers several departmental scholarships. However, there are external scholarships as well. A good scholarship resource for students who attend high school in Nevada is the Clark County Public Education Foundation at ccep.org. Visit unlv.edu/aidinfo for links to additional opportunities.

**What is the process for the Millennium Scholarship?**
