WORK HISTORY

Visiting Lecturer & Integrated Behavioral Healthcare Coordinator
School of Social Work
University of Nevada, Las Vegas
Las Vegas, NV • 2018 – Current

I teach (4) courses a semester in the UNLV School of Social Work BSW and MSW program. In addition to my role as a lecturer, I manage the sustained Federal HRSA grant now titled, Integrated Behavioral Healthcare Scholarship. I recruit students, develop and enhance clinical courses, organize mentoring groups, supervise integrated behavioral health field sites, provide clinical consultation and coordinated data collection for the scholarship program.

HRSA BHWET Program Coordinator
School of Social Work
University of Nevada, Las Vegas
Las Vegas, NV • 2015-2018

Spring 2015, I was promoted from full time Visiting Lecture to Program Coordinator for the Federal HRSA Grant awarded to the School of Social Work MSW program. In my role as the Coordinator, I was responsible for the daily implementation and oversight of the federal grant which is referred to as the Health Resources and Services Administration (HRSA) project. I worked with local and state public and behavioral health partners to develop and expand clinical social work education with the goal of producing 108 highly competent practitioners. I recruited students, developed and enhanced clinical courses, organized mentoring groups,

supervised integrated behavioral health field sites, provided clinical consultation and coordinated data collection and required federal reporting tasks.

Visiting Lecturer

School of Social Work
University of Nevada, Las Vegas
Las Vegas, NV • 2014-2015

During the fall semester of 2014, I taught (4) courses in the UNLV School of Social Work BSW and MSW program. In addition to my role as a visiting lecturer, I carried a caseload of 10 MSW students in their practicum placement as their Social Work Liaison.

Lead Therapist Supervisor – Adult Unit

Montevista Hospital
Las Vegas, NV • 2012 – 2014

I worked daily coordinating and supervising services on the adult unit including overseeing and facilitating individual, family, and group therapy sessions. I also conducted psychosocial assessments, treatment planning, case management and discharge planning. I supervised a small contingent of UNLV MSW students in their 1st and 2nd year practicum placements to include overseeing and approving mental health assessments, psycho-educational groups, case management and discharge planning. In addition to the MSW students, I also supervised licensed clinical social workers, LSWs, MFTs and CPCs and per diem staff.

Clinical Director

Behavioral & Mental Health Department
Youth Advocate Programs, Inc.
Las Vegas, NV • 2007 – 2012

As the clinical program director, I worked diligently hiring and training staff to provide clinical services, provided community outreach and coordinated events in disadvantaged and marginalized communities. I worked to grow the local office from just myself to 25 staff members, including both licensed clinical professionals and paraprofessional staff. I worked to build a strong referral network with several community partners that saw the client base grow and remain consistent. I also coordinated and facilitated staff training, completed Medicaid authorizations, completed individualize treatment plans, supervised and provided clinical services for children, adolescents and adults in the program.

LCSW Intern/Lead Social Worker – Pediatric Unit

Montevista Hospital
Las Vegas, NV • 2005 – 2007

I spent my internship in the hospital providing individual, family and group therapy for children and adolescents. I also performed psychosocial assessments, case management, and discharge planning and provide coverage on the adult unit 1x weekly providing therapeutic services. In

addition, I participated and scribed for interdisciplinary treatment team meetings, parent training using 1, 2, 3 Magic Curriculum and unit training for new staff.

Program Director

Sunrise Youth & Family Services
Las Vegas, NV • 2003 – 2005

During my time with Sunrise Youth & Family Services, I provided both our staff and families with supervision/guidance. I conducted weekly home, school, and day treatment visits. I also participated in Utilization Review Teams with the Department of Family Services. In addition, I prepared treatment plans, conducted assessments and provided skills training to staff and foster parents.

Case Manager

Nevada Business Services, Inc.
Las Vegas, NV • 2002 – 2003

I provided case management services for dislocated adult clients and at-risk youth. I also collaborated with training centers for client employment trainings and education programs. I also participated with job development workshops and back to school community fairs as well as facilitated psycho-social educational groups.

Mental Health Specialist

Louisiana Health & Rehabilitation Options
Baton Rouge, LA • 2001 – 2002

During my graduate program, I worked part-time performing rehabilitation activities and services for children, adolescents and adult clients. I provided rehabilitative services in the home, school and community for individuals presenting with emotional, behavioral and cognitive disorders; in addition to co-facilitating therapy groups and child/adolescent development workshops.

Behavioral Specialist

Children Crisis Center
Baton Rouge, LA. • 2000 – 2002

While working towards my MSW degree, I completed my practicum hours as a Behavioral Specialist. My duties included working with children and adolescents who were in the foster care system in Louisiana residing in therapeutic treatment homes. I provided rehabilitative services in the group home, school and community as well as co-facilitated therapy groups and facilitated psycho-educational groups. In addition, I participated in interdisciplinary team meetings, observed family visitations and attended therapeutic activities in the community, i.e. nature walks, camping, etc.
