Field Organizing Internship with Nevada Senate Democrats

The Nevada Senate Democratic Caucus is seeking passionate, motivated students excited about progressive politics to help win campaigns in several highly-targeted races throughout Clark County. Interns and fellows will be on the front lines of political campaigns, mobilizing and engaging voters about the issues that matter most to them and playing a pivotal role in building the Democratic Senate majority in such a critical election year.

About the Program

Interns and fellows will work alongside our experienced team of campaign professionals, learning skills and gaining first-hand experience in political and electoral campaign strategy. Participants will learn the ins and outs of grassroots organizing, recruitment, event planning and execution, networking, social media and more. Participants will also meet and work closely with candidates and elected officials involved with state senate campaigns.

Responsibilities will include:

- Managing and executing phone banks, canvasses, and other direct voter contact tactics
- Brainstorming and implementing creative strategies to contact, engage, and mobilize voters
- Recruiting, training, and managing volunteers to expand our operational reach and capabilities
- Identifying and persuading voters to support our progressive candidates and causes
- Learning to use the Voter Activation Network, a database used by every Democratic campaign in the country
- Staffing candidates as needed

Fellows are expected to commit to a minimum of 20 hours per week.
Interns are expected to commit to a minimum of 10 hours per week.

The internship is unpaid, but we are happy to work with students to secure academic credit for their work as needed.

Requirements

Qualified candidates will have a positive attitude, a willingness to learn, and a desire to support Democrats and effect progressive change across the state. All are encouraged to apply, regardless of experience. Applications will be reviewed on a rolling basis. Applications should include a brief statement of interest and a resume. Submit applications to Sam Berman at sberman@nvsenatedems.com with “Internship Application” in the subject line.
