Mission:
Promote and facilitate research activities that make bench-to-bedside research useful for real-world applications toward improving human health and well-being.

Goals:
Collaborative interdisciplinary partnerships and team science; Biobehavioral research related to chronic diseases and needs of vulnerable populations across the lifespan.

Services:
- Grant funding
- Writing groups
- Journal clubs
- Grant proposal development
- Mock reviews
- Workshops
- Boot camps
- Training opportunities

Faculty/Staff:
Coordinator
Jennifer Kawi, PhD, MSN, APRN, FNP-BC
Assistant Professor
UNLV, School of Nursing
Phone: 702-895-5930
Jennifer.kawi@unlv.edu

Research Projects Manager
Kirsten Connelly, MPH
UNLV, School of Nursing
Phone: 702-895-3408
Kirsten.connelly@unlv.edu

Advisory Board, Collaborators, and Partners:
- Ronald T. Brown, PhD
  School of Allied Health Sciences, UNLV
- Catherine Dingley, PhD, RN, FAAN
  School of Nursing, UNLV
- Margaret Heitkemper, PhD, RN, FAAN
  School of Nursing, University of Washington
- Nada Lukkahatai, PhD
  School of Nursing, UNLV
- Tom McCoy, BA, MA, JD
  Nevada Government Relations
- Carolyn Yucha, PhD, RN, FAAN
  School of Nursing, UNLV
- Connie Mobley, PhD, RD
  School of Dental Medicine, UNLV
- Jillian Inouye, PhD, APRN, FAAN
  School of Nursing and Dental Hygiene, University of Hawaii
- Linda Silvestri, PhD
  Nursing Community Partner
- Mohamed Trabia, PhD
  College of Engineering, UNLV
- Francisco Sy, MD, MS, DrPH
  School of Community Health Sciences, UNLV
