Financial Considerations

This fee is intended to cover all associated university fees such as technology, library, or application fees. As with all courses, you are responsible for the cost of your books and educational materials.

NEXus courses may qualify for financial aid. If you are receiving aid and plan on taking a NEXus course, please contact financial aid to complete and route a UNLV consortium agreement.

Registration Deadlines

Students are responsible for meeting the registration and payment deadlines of the institution that is offering the course. In most cases, this will not coincide with **institution name** calendar so advanced planning financially and academically is critical. Visit <http://winnexus.org/deadline-dates> for a complete list of registration deadlines.

Academic Considerations

- Decisions about selecting a NEXus course must be made in consultation with your academic advisor/committee chair.
- Students enrolled in a NEXus course must meet all course requirements.
- Students are encouraged to contact the course faculty in advance to ensure that they understand the course requirements (for example, prerequisite courses, vacation periods, on-campus requirements, technology requirements, synchronous versus asynchronous discussions).

For assistance in registering for and enrolling in a NEXus course, contact the Campus Staff Coordinator at 702-895-3812.
