2021-2022 One Semester Federal Student Loan Adjustment Form

Student Name: _____

The decision to adjust your federal student loans to only one semester affects the following loan programs: Federal Subsidized Loan, Federal Unsubsidized Loan, and Federal Parent PLUS Loan. The UNLV Financial Aid & Scholarships Office, in general, does not recommend students borrowing loan funds entirely in one semester. If you receive your loan funds in one semester, you will exhaust your federal student loan eligibility for the entire academic year and usually will not be eligible for additional loan funds until the following fall. The result of this decision could be that you do not have sufficient funds to assist you with your costs for additional semesters. Students having a satisfactory academic progress status of "Alert," "Probation," or "Warning" are not eligible for a one-semester loan adjustment. A. Select Loan Type — Do not leave blank.	, ,
