UNLV

PGA
Golf Management™

The UNLV PGA golf management program is accredited by the Professional Golfers' Association of America and administered through the William F. Harrah College of Hotel Administration. Students graduating from the PGA golf management program will receive a Bachelor of Science degree in Hospitality Management, and a concentration in PGA golf management.

The PGA golf management curriculum consists of 121 credit hours in three primary areas: general studies, hospitality management, and PGA golf management. Along with these requirements, students must complete 16 months of internship experience. Golf management classes support student progression through the PGA curriculum. This comprehensive curriculum and extensive internship experience prepares students to work in the expanding golf industry.
