To: Praxis Test Takers of STN15141A University of Nevada, Las Vegas (UNLV)
Date: March 17, 2020
Subject: Center Closure

The health and safety of our staff, their families, and the community is our first priority, and to adapt to the rapidly changing situation related to coronavirus (COVID-19), we will adhere to the recommendation of Nevada Governor, Steve Sisolak and follow his guidance on distance and precautions necessary to ensure the safety of our test takers. Therefore, we will be closing our testing center and cancelling all testing sessions with the anticipation of rescheduling those affected in May. The health and well-being of our test takers – especially those who are at greater risk – are at the forefront of our decision making and planning. We will continue to monitor the situation and provide updates as it becomes available.

Please continue to monitor the ETS Praxis Website for updates at https://www.ets.org/s/cv/praxis/the-americas/

We recognize this is a challenging time for all, and we remain deeply committed to the safety of our students, staff, and community members.

Please take care of yourselves and each other,

Tracy Spies
Associate Dean for Academic and Professional Programs
College of Education
University of Nevada, Las Vegas
