

INTERNSHIP & CAREER SERVICES

HOWARD R. HUGHES COLLEGE OF ENGINEERING

CONSULTANT OPPORTUNITY

Posting ID: E050716

Company: Predictive Leadership Solutions

Website: www.pls-screen.com

Job Title: Consultant

Work Location: Las Vegas

Position Type:

Salary: Unknown

College Major(s): Computer Science

College Level(s): Undergrad, Graduate

OVERVIEW

Predictive Leadership Solutions is the only screening company dedicated to the Hospitality Industry. Designed for hotels, casinos, convention centers, restaurants, night clubs, security services and delivery and transportation services. We help mitigate risk, prevent losses, reduce workplace violence and improve customer service by ensuring the best possible choice for employees. PLS is fast, accurate, compliant and designed to be a simple process in a complex hiring workflow.

Roles and Responsibilities

We have developed a proprietary system for the fulfillment of our background screening services. We are looking for a talented student, recent graduate or local professional that is looking to make some extra money by consulting on our system.

Qualifications and Education Requirements

The candidate must know:

1. The language in which the system has been developed.
[YC] Java EE
2. The platforms on the AWS where development takes place and where the system is stored, and
[YC] Tomcat (AppServer) + Apache (Webserver) and MySQL database

Where To Apply

Please send resumes to Edward Robusto, President: errobusto@pls-screen.com.
