OVERVIEW

Clark County is a dynamic and innovative organization dedicated to providing top-quality service with integrity, respect and accountability. With jurisdiction over the world-famous Las Vegas Strip and covering an area the size of New Jersey, Clark is the nation’s 14th-largest county and provides extensive regional services to more than 2.25 million citizens and more than 46 million visitors a year. The Department of Public Works delivers a wide range of services to the community including the design, construction, inspection and maintenance of essential public infrastructure such as roadways, bridges, traffic control devices, flood control facilities and trails, for the safety and use of the public.

Roles and Responsibilities
