Thank you for assisting in UNLV’s continuous academic improvement by undertaking this program review. We provide below important information about the review process, including your visit to the Campus. A template for the final report is included in this communication.

Information about the Report

- The program being reviewed will designate a contact person (often the Chair, but not always) to assist you with details, answer questions, and process your honorarium.

- All arrangements for the review are handled by the program being reviewed.

- During your Campus visit, you will meet with various individuals, including:
  - Program faculty
  - Undergraduate and/or graduate students, as applicable
  - Academic advisors (if applicable)
  - Department Chair / Program Director
  - College / School Dean
  - Vice Provost for Academic Programs

- External reviewers should combine their perspectives about the program into a single report (no more than 12 pages), and submit it electronically within 30 calendar days of their visit.

- The report is submitted to the Vice Provost for Academic Programs, Dr. Javier Rodríguez, javier.rodriguez@unlv.edu.

- The report should address all the areas listed in the template, as well as include a summary of commendations and recommendations concerning each degree program under review, in cases when two or more programs were reviewed simultaneously.

- Basic information about the University of Nevada, Las Vegas and the degree program(s) under review is available at: http://www.unlv.edu/about and https://ir.unlv.edu/IAP/Reports/Content/At+UNLV++Student+Profiles.aspx.

- UNLV catalogs are available at: http://catalog.unlv.edu/. Please use the drop-down in the upper right area of the page to access the graduate catalog.

- Contact person: Nora Carroll, Office of the Vice Provost for Academic Programs, 702-895-1888, nora.carroll@unlv.edu.

The Vice Provost for Academic Programs is committed to engaging programs in a clear and useful program review process. To facilitate continuous improvement, we welcome feedback from programs and departments, external or internal reviewers and any other constituents of the process.
