

My Planner provides you with a tool to plan your courses for an individual term, multiple terms, or for your entire stay at UNLV. You can add courses to your planner and then go directly from planning to enrollment in one click. The Planner function allows you to plan based on class schedule availability. The planner is mandatory for many students and failure to use your planner may result in a hold preventing enrollment.

1. Log into MyUNLV and Navigate to your Student Center
