Spring 2018 Registration Schedule

The Spring 2018 Registration Schedule is based on expected class standing. For example, if you are currently a freshman and expect to finish enough credits before the semester to be a sophomore, you will register at the time designated for sophomores.

Each student will have an individual appointment date and time assigned to them based on their expected academic standing. Students can view their specific appointment information in their student center. For example, the registration dates for sophomores are Monday, November 20\textsuperscript{th} at 8:00 a.m. through November 22\textsuperscript{nd} at 1:00 p.m. Students must check their student center to determine the time between these two dates that they may actually register as different students will have different times assigned to them. The appointments are assigned randomly within each academic standing.

**Students who have applied for graduation and selected the Fall 2017 term will not be supplied with an enrollment appointment for Spring. If Students no longer expect to complete their degree by Fall 2017 they must adjust their anticipated graduation term by visiting the Registrar’s Office**
