

# Pivot Snapshot

1. No login required from campus computers <https://pivot.proquest.com/>.
2. Login with ACE credentials. Must login if using Eduroam Wifi on campus.
3. Profile. Setup/claim your profile. Enables features such as weekly advisor email alerts, track opportunities, and active opportunities.
  - a. Ability to add a proxy.
  - b. Add ORCID id. Set permission flag in ORCID to auto-update pivot profile.
  - c. Add keywords/expertise. Pivot will use this information for your personal funding matches and department funding matches.
4. Homepage – My Funding Opportunities
  - a. Tracked Opps. Mark funding opportunities where you might apply. Will receive email alerts when deadlines or other info is updated.
  - b. Saved Searches. Advanced search you create based on keywords and categories. Ability to request email alerts.
  - c. Advisor. Auto-generated opportunities based on your profile. Can request weekly email alerts.
  - d. Curated Opps. Communications Manager saved searches for campus-wide opportunities based on categories (e.g. Early Career, Minority-Serving Institution, etc.)
  - e. Internal Opps. UNLV specific opportunities such as Barrick Scholar Awards, Harry Reid, etc.
5. Search for Funding. Search by sponsor, keywords, advanced search functions.
6. Profiles. Find potential collaborators at UNLV by college and department and outside of UNLV.
7. Conferences. Find conference calls for papers.
8. Awarded Grants. 39 global funders have released their databases to Pivot (i.e. NIH, NSF, DOE, DoD, etc.)
