ARTIFICIAL INTELLIGENCE CENTER - SUMMER INTERN

Posting ID: IN200284F5  
Company: SRI International  
Position Type: Full-Time  
College Major(s): Computer Science (CS)  
Company Website: https://www.sri.com/  
Work Location: Menlo Park, CA  
College Level(s): Undergraduate-Senior, Graduate Student, PhD. Student, Alumni

OVERVIEW

Together, we create world-changing solutions that make people safer, healthier and more productive.

From the computer mouse to robotic surgery, cancer treatments, and more, SRI’s 70+ years of innovation have created new industries, billions of dollars in market value, and lasting benefits to society.

Roles and Responsibilities
Internship opportunity to work within the Artificial Intelligence Center at SRI, either in Menlo Park, CA or San Diego, CA. Candidate projects span the topics of Natural Language Processing, Autonomy, Computer Vision, and Machine Learning. The internship will involve working closely with SRI staff on a current research project, providing hands-on exposure to state-of-the-art techniques and an opportunity to publish.

Education and Qualifications
Candidates for the position should have a Bachelor’s Degree in Computer Science or related field. Completion of at least one year of graduate school in studies related to AI and Machine Learning is highly desired.

Preferred Skills
Candidates who receive a conditional offer of employment will be subject to a background check.
