Preparing for Your Lab Appointment

Remember to bring the following:

• A test order (lab requisition) completed by your clinician.
  o If you were seen at the Student Health Center, the test order may be in your medical chart already. Please call the laboratory at 702-895-0280 to confirm.
  o For testing required by your academic program, internship facility, or UNLV Admissions, please call the laboratory at 702-895-0280 for more details.
• Your insurance card (if applicable) and picture ID.

Please come prepared:

• Wear sleeves that roll up easily.
• Fasting is required for Comprehensive Metabolic Panel and Lipid Panel (cholesterol, triglycerides, HDL, and LDL).
  o Fasting is generally 8-12 hours.
  o You may have water. Black coffee and artificial sweetener is approved but no sugar, milk, or cream. Unsweetened tea is approved.
• Follow any other instructions your clinician has given you.
