

MSR Denali Classic Snowshoe

The Denali snowshoe-a durable, full-traction snowshoe with adjustable tails that's ideal for flat and rolling terrain. They come equipped with steel traction bars for outstanding grip and their modular design allows you to adapt your snowshoes to match the flotation demands of different pack loads and changing conditions.

- UniDeck Platform - Expedition proven, nonstick deck sheds snow and ice
- Durable Steel Crampons - Hardened steel crampons with four aggressive front teeth offer unrivaled traction
- No-hassle binding is secure and packable
- Crampon extension plate eliminates heel drift, while the easy-to-use strap binding provides a great fit and secure attachment to snowshoe.
- Enlarged boot hole accommodates snowboard and ski boots.
- Modular 4-inch and 8-inch flotation tails make MSR snowshoes a 3-in-1 package, eliminating the need for multiple pairs of snowshoes (sold separately).
- Flexible Binding - Packs flat; stays moisture-free and adjustable in freezing conditions
- Size: 22.2 in. x 8.2 in. (56.4 cm. x 20.8 cm).
- Weight: 4lbs. 3 oz. (1899g)
