

Sierra Designs 20 degrees F Rosa Climashield Sleeping Bag

Sierra Designs' 20°F Rosa Climashield long sleeping bag is specially designed to place extra insulation in areas women need it most -- the torso and feet. A draft tube and tricot-lined footbox help seal in warmth, while an ergonomically shaped hood with pillow pocket keeps you cozy all night long.

- Chest pocket keeps essentials close by
- Padlocks hold sleeping pad in place
- Snag-free zipper
- Mummy-style design
