

UNLV | CAMPUS REC SERVICES AQUATICS

Dear Learn to Swim and Private Swim Parents:

I'd like to begin by thanking everyone for being a part of our Swim Lesson Program here at UNLV. This program has been running since 2012, and we have seen over 600 participants in our program. Since UNLV's Swim Lesson Program is an American Red Cross program, we mirror their purpose which is to not only teach children how to swim, but to make being in the water safer and more enjoyable. We have appreciated your willingness to allow us to teach your children the lifelong skill of swimming and assisting in their aquatic development.

Beginning January 3, 2017 Campus Recreational Services will be implementing a policy that will change the structure and pricing of our Learn to Swim program. The price of Learn to Swim will be \$50 per session. For those who are not students or members of the SRWC, the adult registering for Swim Lessons must purchase a \$25/month membership and must possess a UNLV Community Member Card. If you do not have an access card, one can be purchased for a one-time fee of \$20 at the Student Union RebelCard office. This membership must be purchased by an adult 18 years or older and cannot be transferred to family members.

Since SRWC memberships are purchased on a month-to-month basis, the Learn to Swim session has been shortened from five weeks to four weeks. That way all of your sessions can be completed while your membership is still active. A membership is required with every entrance into the SRWC for Private Swim Lesson as well. While we are aware that more than one family member often attends many sessions, we will be offering a "Plus One Pass" (POP) so that one additional adult can attend each session.

While we understand this policy change may seem inconvenient, we do want to point out that our new rates are consistent with other local swim programs.

| Organization | Cost for the Session | Cost per Class |
|--|--------------------------|----------------|
| Clark County | \$35 – 8 sessions | \$4.38 |
| Las Vegas Swim Academy | \$100 – 8 sessions | \$12.50 |
| UNLV Campus Recreational Services | \$50 – 4 sessions | \$12.50 |
| YMCA | \$106 – 8 sessions | \$13.25 |
| Aloha Aquatics Center | \$60 – 4 sessions | \$15.00 |
| Water Wings | \$72 – 4 sessions | \$18.00 |
| All-Star Swim Academy | \$77 – 4 sessions | \$19.25 |

Along with having competitive rates, we will also be adding the following benefits:

- Your membership will grant the SRWC member access to the entire facility during the month that your membership is active. Included in this membership is access to over 100 pieces of cardio and strength training equipment, 50 Group Fitness classes each week, and a full natatorium.

- A SRWC membership will not be needed for an additional adult to observe the Learn to Swim sessions. We understand that these are priceless moments that one wouldn't want to miss. Each SRWC member enrolled in Learn to Swim will be given one (1) Plus One Pass.
- Learn to Swim levels 1-4 will be lengthened and have an additional 15 minutes of instruction. So even though the weeks have been lessened, the overall time of instruction will increase.
- At the end of your swim lesson session, parents will receive a personalized postcard with a photo of each of their children enrolled in UNLV's swim lesson program.
- The skills checklist that is used as a class guideline will be available for parents who want to continue their child's progress at home.

Our aquatics team is very excited about the upcoming changes and additions to our program. If you have any questions, feel free to contact Cole Osborn, the Aquatics Coordinator at 702-774-7112 or cole.osborn@unlv.edu.

Sincerely,

Cole Osborn, Aquatics Coordinator
