COMMUNITY WALK POLICY

The following policy outlines the procedures for which an organization may hold a Community Walk on the UNLV campus. This policy is in addition to the applicable policies outlined in the Student Union & Event Services (SUES) Full Service Contract, General Reservation Policy, and UNLV Guidelines for Scheduling University Facilities. Additional policies may apply per the specifics of the Event.

Guidelines:

1. Community Walks are solely contracted with registered non-profit organizations. UNLV is unable to host competitive race Events and/or those featuring USATF certified courses. Proof of non-profit status must be provided.
2. Expected attendance for Community Walks must be between 200 and 4,000 participants to be held on the UNLV campus.
3. The approximate distance of UNLV’s Community Walk is 5K (3.1 miles). Prior arrangements with SUES can accommodate variances in the route length or path. The entire Walk path must be within campus grounds and not include city or county roads.
4. Walk start time, Walk distance, Walk route and Event set-up cannot be guaranteed due to construction and other Events on campus.
5. All groups will be charged a Community Walk package price of either $3,000.00 or $5,500.00 (see pricing tiers below). Additional services are available by request. Any fees associated with additional services will be billed to the client. Walks over 4,000 participants fall under the Festival Policy. Client must provide an accurate count of prior year’s attendance.
6. Walks are permitted on weekends only. They will not be permitted to occur during campus closures and on annual Event dates (UNLV’s Homecoming Week, Family Weekend, Festival of Communities etc.). Pre-selected walk dates will be available and publicized late March/early April the immediately upcoming fall and spring.
7. A pre-Event meeting with a Conference & Event Coordinator (EC) will be held to discuss Event details including the route, water station locations, and other specifics.
8. Walks must start and stop in the same location, which is the one outdoor venue is included in the package.
9. Special arrangements must be made with the SUES office to drive or park vehicles on the UNLV campus. Fire lanes must be accessible at all times. At no time may vehicles drive or park on Pida Plaza.
10. All Walk participants, staff and volunteers must follow University Parking Policies. Proximity parking to Walk route and/or gathering area is not guaranteed.
11. Client must provide Volunteers to staff registration, water stations, Walk route
12. Banners/Signs may not be attached to any building, light post, physical structure and/or any landscaping on the UNLV campus per the Campus Posting Policy. Signage along the route should be placed in pre-approved areas, if placed in grass areas it must be at least two feet from the sidewalk and is the responsibility of the sponsoring organization to place and remove. Signage is only permitted on the day of the scheduled walk.
13. All walk clients will leave the UNLV campus in the same condition as was provided for the Event. Excessive trash, damage of property, remaining items, etc. may be subject to an excessive cleaning charge being added to the final Event invoice.
14. The sponsoring organization must provide volunteers to manage the water stations and walk route. SUES staff will not manage the program component of Walks. Water supply and distribution is the responsibility of the sponsoring organization.
15. The sponsoring organization must sign a rental agreement and is responsible for providing the SUES office with a copy of insurance, per the contract terms.
16. Vendors not included in the sponsoring organization’s insurance coverage will be required to provide the SUES office with a copy of their general liability insurance policy in the amount of $2,000,000.00 naming the Nevada System of Higher Education (NSHE) Board of Regents as additional certificate holder. This includes vendors with animals and/or service animals. If vendors are selling merchandise, a business license is required to be on file with the SUES office.
17. All groups wishing to have food with their Event need to arrange this through the assigned Event Coordinator. Additional food permits may be required.
18. All Walk set-ups and gathering areas must be approved by UNLV Risk Management and the State Fire Marshal. Student Union & Event Services will coordinate this application process but cannot guarantee approval.
19. On Community Run/Walk days, the Student Union will open at 7:00 am to assist participants. If an earlier open or late close is requested in advance, the client will incur $150 per hour in early open/overtime fees to cover staffing and utilities.
20. Emergency Medical Services are required, but not provided. SUES can assist with the coordination of these services.
21. Academic Buildings along the walk route will not be open. Portable restroom rental is recommended, but not required. SUES can assist with the coordination of these services.
22. Last minute changes, if approved, are subject to a change fee.
23. The use of Unmanned Aerial Systems (UAS), also known as drones, are not permitted.
24. In the instance of inclement weather, refer to the terms & conditions in the Full Service Contract
25. The number of police officers, grounds staff, and SUES staff will be provided at the discretion of UNLV, and is based on the Walk Route, size, and scope of the Event.
26. Electric Carts are not available for Client use. SUES staff is not permitted to shuttle guests in electric carts.
COSTS & SERVICES PROVIDED

Tier 1 –Anticipated attendance of up to 1,000 people, $3,000.00 includes:

1) Rental cost of the gathering/registration area and the standard route for the walk during day of scheduled Event.
2) Up to 2 Police and 1 Grounds staff, as determined by the Walk route
3) Three (3) tables, six (6) chairs and three (3) trash cans for water stations.
4) Ten (10) additional trash cans for the registration area.
5) Recycling receptacles for gathering area and water stations.
6) Up to (2) general use operation rooms.

Tier 2 –Anticipated attendance of up to 4,000 people, $5,500.00 includes:

1) All services and equipment included in the Tier 1 Community Walk package.
2) One (1) dumpster.
3) Logistical support, UNLV Police and Grounds staff will increase based on venue needs

*Walks over 4,000 guests – refer to the Festival Policy

Client must provide to the SUES Event Coordinator a Declaration of Attendance for the Walk, 30 days prior to the Walk date.

Charges apply to the following requests, if available. SUES can assist with the coordination of the following:

1) Additional outdoor electricity; note that power is very limited. Walks with outdoor vendor set-ups typically must rent a generator.
2) Additional water stations: $25/station (includes costs for table/chair/trash can).
3) Additional outdoor tables and chairs: $8/table, $3/chair.
4) Additional security, water stations or equipment, please ask for a quote in advance.
5) Set-up the evening before, if available. Overnight security is required but not included for venues, equipment, and rentals.
6) Portable restrooms – recommended, not required; note that academic buildings along walk route may not be open
7) Emergency medical services
