CSUN Ways & Means Committee Members (or CSUN Senate),

We are the internationally recognized Hello Kitty club. Our purpose on campus is to educate, appreciate, and celebrate the history of our favorite, cat, Hello Kitty. As a group, we organize meetings to discuss any new and relevant information in regards to Sanrio, make guest appearances for other organizations who wish to make themselves more well-rounded, and host events that encourage our community to join us in her name through activities, feasts, and camaraderie. We also encourage volunteer work by providing opportunities for our members to donate their time at local charities, especially the feral cat clinic.

For the fiscal year of 2017-2018, we are requesting \$2,345.67. This money will help us to market ourselves through t-shirts, flyers, a table cloth, and a new banner. It also includes half of the cost of our travel to Hello Kitty Con. next summer. Those traveling will include 4 of our E-Board members and 1 outstanding active member, decided by an application process. In addition, it will assist us in executing our annual Sanrio Bash at UNLV, which is an event open to the entire campus.

Thank you for your consideration of our funding proposal and we look forward to working with you in the future.

\*Please list the total number of members that are active in your organization, based off of the updated count on the Involvement Center.

\*\*Please list the total number of those members who are undergraduate students. This may be all of your members. However, if you do not have only undergraduate members, please keep in mind that we require at least (5) undergraduates to be active members in order to apply for CSUN funding.

\*\*\*It is important to note the amount of funding raised independently, or through other means. We encourage independence and remind that the purpose of this funding is to supplement your needs as we cannot support all of the Student Organizations at UNLV.

**Please note that if approved, your budget and cover letter will need to be updated to address the senate, list the correct date, and provide the updated amount requested if applicable.**
