Sierra Designs Reverse Combi 2-Person Tent

General Description
This two-person tent is designed to be easy to set up, and comfortable to live in. With increased livable space and internal organization such as pockets, this tent makes it easy to access your gear while still having enough room to move around. This tent includes a tent body, footprint, rain fly, stakes, and tent poles.

Features
- Steeper walls for more space and comfort
- Two doors and two vestibules for easy entry/exit and gear-storage space
- Lightweight, durable rainfly for waterproofing and UV protection
- Gear pockets and portable attic
- SuperSeal Floor™ combines the benefits of catenary and bathtub floors; raised side seams are taped for complete waterproofness
- Swift Clips™ ease and speed up tent set up, particularly in high winds

Instructions for Setting Up
Please see separate document for instructions on setting up the Sierra Designs Reverse Combi tent.

Reviews*
“Set up is easy. The reverse combi pole bending design makes the tent spacious.”
“It is light, compact, and very quick setup.”
“Encountered all elements and temperature ranges with it and it stood the test.”
