

SENSE OF THE SENATE REGARDING PRESIDENT JESSUP

THE UNIVERSITY OF NEVADA, LAS VEGAS FACULTY SENATE strongly supports the continuation of DR. LEONARD JESSUP as PRESIDENT of UNLV. Under his leadership, the University has experienced unprecedented growth. He is a proficient fund-raiser as we move to Top Tier status, advance our medical school and further our mission. Indeed, he has led the best two years of fund-raising in the history of UNLV.

WE believe that Dr. Jessup and his administration act with integrity and respond to issues in positive ways. He has worked to stabilize the University and is a strong advocate for the interests of UNLV students, faculty and staff. Our relations with the Las Vegas community and business leaders continue to improve under his guidance. His enthusiasm for UNLV is evident every time he speaks.

WE strongly condemn individual efforts within the Board of Regents to undermine University leadership. The Senate asks the Chancellor and the Board of Regents to follow established NSHE personnel policy as stated in Title I, Section 4 of the CODE. WE urge the continuation of DR. LEONARD JESSUP as PRESIDENT of UNLV.
