

Student Request for Exemption to International Travel Restrictions

By completing this form, you are requesting that the UNLV Travel Risk Assessment Committee consider your petition to waive the policy for your UNLV-related travel to a country under a US State Department Travel Advisory or Alert and/or Centers for Disease Control and Prevention Health Notice. Please complete the following and submit to the Office of International Programs.

Student Name: _____ **NSHE ID:** _____

Address: _____

RebelMail: _____ **Phone:** _____

Academic Department: _____ **Undergrad:** **Grad:**

Destination(s): _____

Dates of Travel: _____

Please attach a detailed statement that includes the following:

- The student must offer a compelling academic rationale for travel to the selected country, outlining how study in only that country will advance her/his academic goals and aid her/him in the pursuit of her/his UNLV degree, and detailing why academic pursuits or study in another country will not advance adequately the academic goals he/she has outlined.
- The student must articulate what steps s/he has taken to inform her/himself of the safety and security risks that travel to the selected country may pose, demonstrate that he/she has considered such risks in a thoughtful and deliberative manner and articulate what steps he/she has taken or will take to mitigate such risks.
- The student must demonstrate that he/she has read and understands the current U.S. Department of State and/or Centers for Disease Control travel warning for the selected country and, that if such waiver is granted, he/she will complete all appropriate forms and releases required by UNLV prior to travel.

Graduate Students:

Graduate students must include the name of their Faculty Advisor: _____ and your faculty advisor must request that the Dean of your school or college email International Programs Director Susan Thompson at susan.thompson@unlv.edu acknowledging that this petition is being made.

Student Signature: _____ **Date:** _____
