SUMMER 2019 FINANCIAL AID APPLICATION

Student Name (printed): __________________________________________

Student’s Signature: ____________________________________________ NSHE ID#: ___________________

You can fax, mail, or drop this form by our office for processing.

You should not complete this application unless you are 100% sure you will not change your summer class schedule for any reason. If you are unsure of your schedule, do not complete this application until you know your schedule is finalized.

Summer is considered a non-standard term, therefore your eligibility for summer financial aid will be determined after a manual review of your 2018-2019 FASFA and the financial aid programs you used during the fall 2018 and spring 2019 semesters. You will be notified of your eligibility via UNLV Rebel Mail.

Any changes to your summer class schedule requires a Summer Enrollment Revision Form. Please note, your financial aid award may be changed & your disbursement may be delayed if your summer class schedule changes for any reason.

If you are eligible for Federal Subsidized/Unsubsidized student loans during the summer semester, you must accept these offered aid programs online via MyUNLV. If you are eligible for Parent PLUS or Graduate PLUS, you will have an estimated amount offered on your financial aid package.

IMPORTANT INFORMATION FOR SUMMER FINANCIAL AID APPLICANTS

- You should not complete this application unless you are 100% sure you will not change your summer class schedule for any reason. If you are unsure of your schedule, do not complete this application until you know your schedule is finalized.

- If you change your summer semester enrollment from what you have originally listed on this form, you must complete the Summer Enrollment Revision Request Form available online at: http://www.unlv.edu/finaid/forms-2017#summer.

- If you change your credit hours, you will experience a delay in the revision of your financial aid awards. You will also likely owe money back to the University if you reduce your credit hours from what was originally listed on this application and financial aid has already disbursed to your student account. If you owe the University money, you will not be able to enroll in additional classes or receive academic transcripts because of University holds.

- You should not complete an application for the Federal Parent PLUS Loan or Graduate PLUS Loan unless you have been awarded an estimate for summer.

- If you have not used all your Federal Subsidized and/or Unsubsidized student loan eligibility during the Fall 2018 and Spring 2019 semesters, you must be enrolled at least half time (6 credit hours undergraduate or 5 credit hours graduate) to be eligible for these federal student loans.

- If you are eligible for the Millennium Scholarship Program during the summer semester, the Nevada Treasurer’s Office will not credit your summer Millennium Scholarship to your UNLV billing statement until the end of October. This is in accordance with Millennium Scholarship program rules. You are responsible for paying your summer billing statement by the due date. Once your Millennium Scholarship credits to your UNLV billing account, you will get reimbursed.

- You must be enrolled in a degree-seeking program.

- You must have a 2018-2019 Free Application for Federal Student Aid (FAFSA) form on file prior to the last day of your summer semester enrollment period with the UNLV Financial Aid & Scholarships Office.

- You must be meeting the financial aid Satisfactory Academic Progress policy as described at: http://www.unlv.edu/finaid/checklist/after-sap

- You are responsible for fee payment by the deadlines indicated within your MyUNLV Finances page even if your application for summer financial aid has not been processed. Payment plans are available through Summer Term Office only (702) 895-3711.
