OVERVIEW

Clark County Water Reclamation District is recruiting candidates for temporary positions to perform water quality responsibilities to conduct industrial and new construction stormwater inspections as per requirements of the Clark County MS4 Permit. Two positions available. Students will be involved with industrial and construction inspection site inventory, stormwater inspections and public outreach.

Roles and Responsibilities
Use standard office equipment, including a computer, and should be proficient with Microsoft Office, Word, Excel, PowerPoint, Visio and Adobe Pro. Review and prepare reports. Be familiar with internet and Google Maps, technical writing, public speaking, interpret/explain/enforce provision of County codes, applicable laws and regulations, and other policies. Address phone and email inquiries regarding County and local government ordinances. Prepare written communications including emails. Conduct field investigations and inspections. Prepare PowerPoint presentations. Attend outreach and education events. Answer questions and provide information to the public in person, telephone or writing.

How to Apply
Submit a cover letter and one page resume to TMcginnis@cleanwaterteam.com or mail to Tim McGinnis, Clark County Water Reclamation District, 5857 East Flamingo Road, Las Vegas, NV 89122.
