

## Acknowledgements

- This page is **optional**.
- It must follow the number order from the Abstract. Thus, if the abstract ended on Roman numeral v, then Acknowledgements must start on Roman numeral vi.
- If you choose to include a Dedication, it will be placed after your Acknowledgements section.
- The page number must be at the bottom center of the page (and be consistent with the font style and size of the rest of the document text)
- Must be double-spaced and the margins must be 1" on all sides (top, bottom, right, left)
- The font size, style, and type must be consistent with the rest of the document.
- The primary/major section header (Acknowledgements) must be consistent with the font size, style, and type of the rest of the primary/major section headers and chapter titles
