

Thule Men's 60L Backpack

General Description

This backpack is the perfect size for 3-5 day backpacking trips, with thoughtfully designed gear storage for easy access to any part of the backpack. The versatile design also includes a lid that converts into a sling pack for shorter hikes, and the weatherproof system makes it a durable, secure choice for backpacking.

Features

- Adjustable hipbelt and torso
- Removable waterproof rolltop pocket to keep gear safe from elements
- Stormguard system prevents water from getting into pack
- Top lid converts into a sling pack
- Easy-access U-zip panel
- Front pocket for quick access
- Breathable back panel and shoulder straps
- Gear attachment loops

Instructions for Use/Setting Up

This video may provide guidance for adjusting the fit of the backpack as well as how to take advantage of all its storage pockets and features: <https://www.youtube.com/watch?v=O-47XGMD-w4>.

Reviews*

"This pack brings backpacking to a new level... This amount of space allows for at least three to four days of supplies. The removable lid allows for a day carry pack also, which can be very useful. The internal frame is easy to adjust and has significant padding for weighted carries."

"Thule Versant Men's Backpacking Pack is not only lightweight but very comfortable to use."
