General Description
This hitch is for the canoe trailer that we rent out along with our canoes. The canoe trailer holds up to 8 canoes, and must be rented along with canoes unless the patron renting the canoes already has a trailer. The Outdoor Adventures Staff will help secure canoes on trailer as well as assist in attaching the trailer to the towing vehicle using this hitch. The canoes, paddles, hitch, canoe trailer, and personal flotation devices are available to rent as separate items. If the patron already has the correct size hitch, that can be used instead of the Outdoor Adventures hitch.
