UNLV GenCyber Summer Camp
June 5 - 11, 2019
University of Nevada, Las Vegas (UNLV)

What is GenCyber Camp?
UNLV GenCyber is a cybersecurity summer camp for high school students in Southern Nevada. The goal of the program is to help students understand correct and safe online behavior, how they can be good digital citizens, and increase interest in cybersecurity careers. Each day, students will participate in multiple hands-on activities to learn about different topics in cybersecurity and hear interesting stories from cybersecurity experts.

Topics Will Include:
- Cybersecurity concepts
- Internet and networking
- Online behavior
- Wireless and mobile security
- Blockchain and Cryptocurrency
- Cybercrimes and protection
- Cybersecurity poster creation

Who Can Attend
All current high school students in Clark County. Participants must commit to attending all five days.

Dates and Times
- June 5, 6, 7, 10: 8:30 a.m. - 4:30 p.m.
  Breakfast and lunch are included.
- June 11: 10:00 a.m. – 8:00 p.m.
  Lunch and dinner are included.
- Attendees will also receive a T-shirt and team prizes.

No Cost to Attend!
