

GRADUATE FACULTY GIVING OPPORTUNITIES

AS GRADUATE FACULTY, YOU PLAY AN INVALUABLE ROLE IN GRADUATE STUDENT SUCCESS. WE WOULD LIKE TO INVITE YOU TO BUILD ON THAT IMPACT BY INCLUDING UNLV IN YOUR PHILANTHROPIC GIVING. YOUR CONTRIBUTION PROVIDES IMPORTANT RESOURCES TO SUPPORT OUR GRADUATE STUDENTS, EXPAND THEIR EDUCATIONAL AND PROFESSIONAL OPPORTUNITIES, AND CHANGE BOTH THEIR CAREER PATHS AND LIVES.

Scholarships help offset the cost of graduate education for students and can make the difference for those considering graduate school at UNLV. You can support the Graduate Student Scholarship Fund or create a named scholarship benefiting students in a particular program(s).

Graduate Student Travel Awards provide funding for students to present at conferences or travel for professional development. These awards allow students to participate in opportunities they might otherwise not have the resources to benefit from. You can support the Graduate Student Research, Conference, and Travel Fund or create a named fund benefiting students in a particular program(s).

The Grad Academy provides comprehensive career and professional development opportunities to prospective and current graduate and professional students. Support allows us to enhance programming, including more than 60 workshops per year, six programs, four certifications, and non-academic advising.

"To support scholarships for UNLV students is to make a powerful investment in the future of our institution, community, nation, and species. With each additional person afforded the opportunity to realize his or her intellectual potential, we move a little closer to overcoming some of the seemingly intractable problems we currently face."

-Larry Letourneau, '93, '00, '13 Ph.D., UNLV professional service, 1996 to present

"I started giving to student travel because I remember as a graduate student how important those trips to conferences were to shaping my research and helping me start my career. The networks I formed at those conferences are the professional networks I am still part of today. This is a support system students need and deserve."

-Jessica K. A. Word, Ph.D., Associate Professor Public Administration,
UNLV School of Public Policy and Leadership

"I ABSOLUTELY LOVED my experience with The Grad Academy! It provided me with a lot of opportunities for not only professional growth but personal improvement. Working as a full-time faculty now, I am grateful for having had the chance to learn new skills and enhance the ones I already had."

-Maria Aladjova, Clinical Mental Health Counseling M.S. '19
