

Congressman Mark Amodei (NV-2)

My name is Lauren Currie and I am the new intern coordinator in Congressman Amodei's Washington, D.C. office. I am writing because we have an internship opportunity for this upcoming fall in our Washington, D.C. office. I was wondering if there might be a way that I could post it on your internship page or if you knew of someone who might be interested. More information about our internship can be found at this link: <http://amodei.house.gov/internships/> or by emailing me directly (lauren.currie@mail.house.gov). I look forward to hearing from you soon. Thank you in advance.

Warmest regards,

Lauren Currie
