The Progressive Leadership Alliance of Nevada is a statewide 501C3 organization working to deepen democracy and build greater social justice in Nevada. We were founded in Nevada in 1994 by local activists concerned with the environmental, racial and economic well being of our state.

Interns will gain hands-on experience analyzing community issues, advocating for policy change, working with volunteers, talking to the press and meeting with decision makers and elected officials.

**Currently PLAN is working on the following issues:**

- On-going legislative issues and actions
- Fight for \$15 - Raising the Minimum Wage
- Immigration - winning comprehensive immigration reform, and implementation of President Obama's immigration action programs
- Payday lending accountability and regulation
- Why Courts Matter - raising the Progressive consciousness around judicial issues
- Climate Justice - fracking, mining, protecting our public lands
- Building a People and Planet First economy

For more information about PLAN and our work visit [www.planevada.org](http://www.planevada.org)

To apply, please send a one-page resume and a brief statement of interest or cover letter to [info@planevada.org](mailto:info@planevada.org). If you have more questions call 702-791-1965.

After your internship with PLAN you will have the skills to continue the work to build a more fair and just Nevada.
