PART-TIME CEE/CEM OPPORTUNITY

Posting ID: 
Company: RTC, Inc. 
Job Title: Stormwater Inspector Trainee 
Position Type: Part-time, April – Jan. 
College Major(s): CEE, CEM 
Website: 
Work Location: Las Vegas 
Salary: DOE 
College Level(s): Undergraduate-Junior, Undergraduate-Senior, Graduate Student, International Students 

OVERVIEW
The RTC Storm Water Services team is assisting property owners, civil engineers, architects, developers, landscape architects, and contractors with technical services to maintain full compliance with the stringent construction site storm water regulations. RTC staff has completed specialized training and passed exams that qualifies them to perform the duties of Qualified Storm Water Practitioner (QSP) and Qualified Storm Water Developer (QSD). We have several new projects starting and are looking for an energetic, reliable, detail oriented person for our Stormwater Inspector Trainee position.

Roles and Responsibilities
The Stormwater Inspector Trainee will work approximately 20 hours per week with our certified stormwater and erosion control professionals to research bid opportunities, prepare bid proposals and to perform site inspections and reports. The goal is to advance the training so the Trainee can prepare stormwater and erosion control reports and drawings. Work days and hours are very flexible.

Qualifications and Education Requirements
Must have completed first 2 years of college and be enrolled in the civil engineering or construction management major. The selected candidate must have a valid driver license, dependable vehicle and have excellent verbal and written communication skills. The ideal candidate will have strong organizational skills and be self-motivated.

-Attention to detail and strong organizational skills
-Physical ability to walk around construction sites and perform inspections
-Ability to read construction drawings and specifications
-Strong computer skills and experience with Microsoft and .pdf documents
-Goal oriented with ability to meet deadlines
