Apply Now! Accepting Applications through May 30, 2016
Atkins is proud to carry on the tradition of assisting students of African American, Asian, Pacific Island, Native American, Native Alaskan or Hispanic decent in completing their higher education programs through the Atkins Minority STEM Scholarship Program.

Eligibility: To be eligible for consideration, the interested minority student must be of African American, Asian, Pacific Island, Native American, Native Alaskan or Hispanic decent, AND be:

• A US Citizen or Permanent Resident
• A Junior or Senior, full-time, day-time student at an accredited and approved college or university.
• Enrolled in contiguous fall and spring semesters, carrying a minimum of 12 credits and earning a minimum 3.0 GPA (on a 4.0 scale) each semester.
• Working towards a baccalaureate degree in Science, Technology, Engineering, or Math (STEM) with at least 60 credits of college work prior to the submission of the application.
• Qualified for financial aid based on need and in accordance with existing regulation at the student’s university.

Scholarships of $2,000 are awarded for the fall and spring semesters to qualified students.

Upon meeting the program criteria, scholarship recipients are selected through a competitive process. A local selection committee composed of Atkins technical Leaders and Human Resources personnel will choose the recipient.

Atkins is very excited to have the opportunity to provide this scholarship. Attached is our new application for distribution. We hope that many of your students will also be excited about this opportunity and that they will submit their application for consideration.

All scholarship funds are paid directly toward the student’s tuition. Scholarship recipients may also be offered summer internships or full-time work upon graduation.
