The Transfer Agreement between UNLV and the Nevada System of Higher Education (NSHE) community colleges guarantees the transferability of all courses as outlined in the Articulation Worksheet corresponding to the intended major for the specified catalog year(s).

A student is eligible to sign and submit a Transfer Agreement once matriculated at any 2-year institution within NSHE.

A Transfer Agreement is initiated the semester in which a student signs and submits the agreement. This is the “Semester Initiated.”

A student will have no more than five years after initiating the Agreement to matriculate to UNLV. This is the “Semester Expiring.”

The student must stay within the degree program specified in the Transfer Agreement. A student may file more than one agreement.

The catalog that a student uses cannot be more than ten years old at the time of UNLV graduation. At least half of the credits required for a baccalaureate degree at UNLV must be earned at a 4-year institution, and at least the last 30 credits must be earned at UNLV.

The Transfer Agreement must be completely and correctly filled out, and submitted to UNLV prior to the expiration of the 2016-2017 catalog.

The Transfer Agreement does not guarantee admission to UNLV. To be admitted to UNLV, a student must apply and meet the admission criteria specified in the UNLV catalog. Specific programs may have additional requirements.
