In Spring 2020 semester, we live in an age where Animal Crossing is at the height of its popularity. Jean Munson's students worked together to draw upon anthropomorphic storytelling and traditional mediums to craft poignant stories about the world around us while we stay indoors for now.

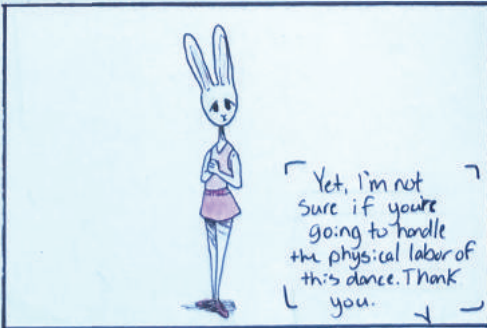

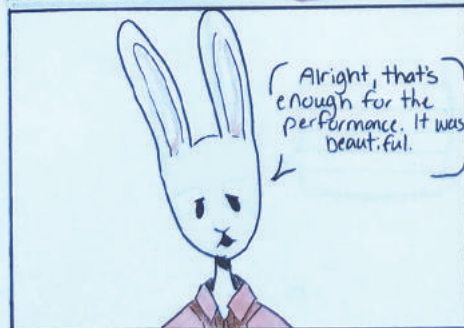

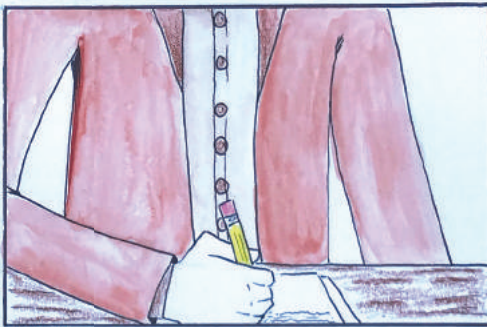

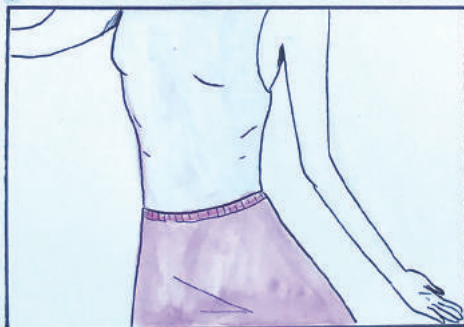

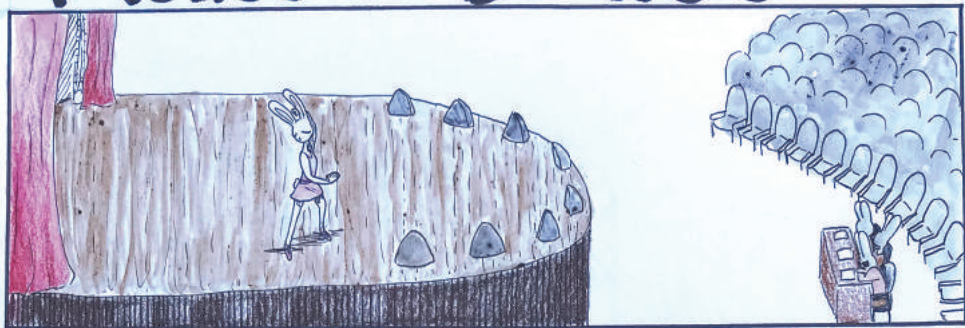

Welcome to the Zoo.

Insomnia

By: Danyelle Minor

Once upon a time
one lone otter
could not fall
asleep...

That's it! I shall go on
a quest to find the
perfect hand to hold!

Why can't I
sleep Mr. Moon?
Are you too
bright? Or are
my hands too
cold? Is it
simply because
I have no one
to hold?

Dolphins swim in groups just
like us otters. Maybe one of
them need a hand to hold too.
Hello dolphin, I am looking for
a hand to hold while I sleep.

Can I hold
yours?

why
sure
sport!
Hold on
tight!

Huh!

I...
don't
think...
this is
what...
I had in
mind!

I need
some
thing that
won't move
so fast.
How about this
rock?

Oof!
nope!
bad idea!

Okay! This log has to work!
It's the same size as me and
it floats like me.

The world is a painful
place Mr. Moon, and it
clearly does not want
me to sleep.

Ow!

Patience
my boy...

Here let me help
you get that splinter
out...

Hey, you like shallow waters. And
you have 8 hands to hold! Would
you mind holding my hand
tonight so I can get some sleep?

Thanks!

I'd love to!

Oh Mr. Moon,
will I ever fall
asleep?

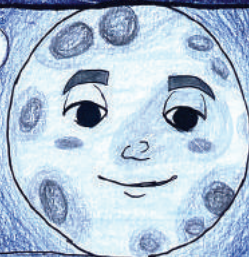

Wait one
gosh darn
minute!

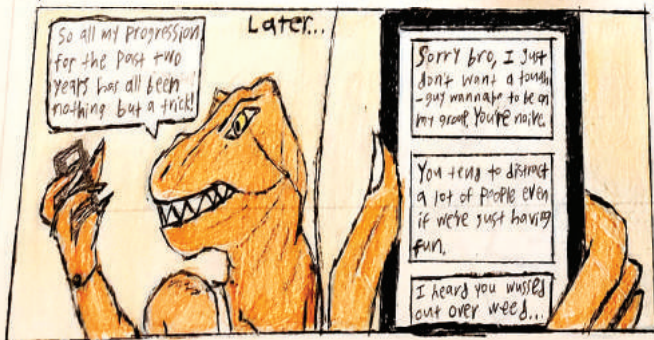

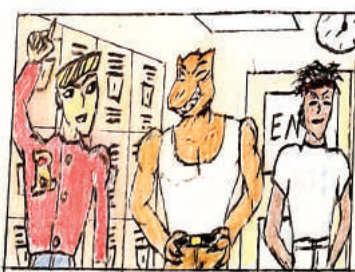

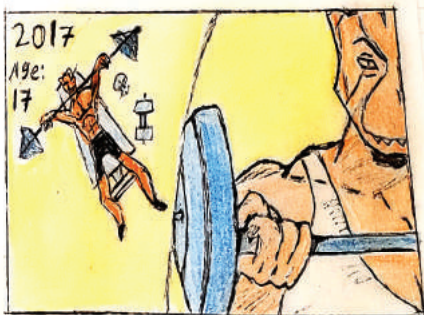

Seriously?...

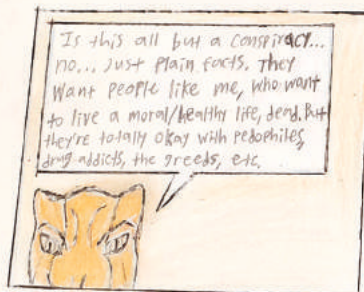

Sweet dreams my dear Olly boy...

The End!

The King in a Bottle

Your majesty we

there will
consequences
along the way.

You've wished
for peace. For
prosperity...

Yes?

Why won't
you wish to
end your curse?

The curse isn't
broken because I
have to want to
break it.

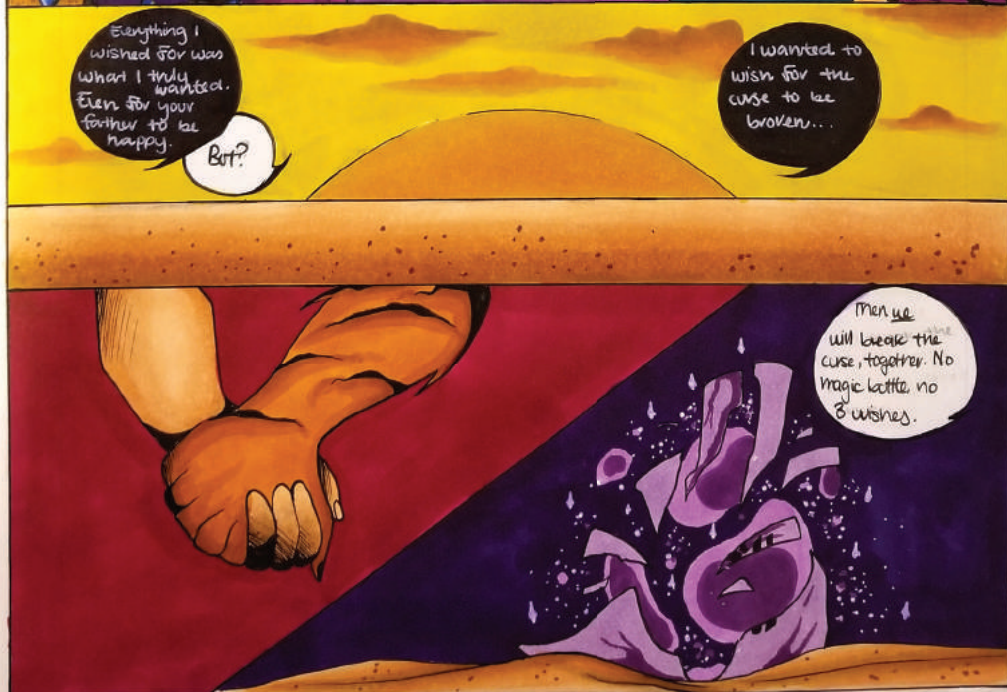

Everything
that you
wished for
was for other
people

You can
fix it
my
father.
Why?

Everything I
wished for was
what I truly
wanted.
Even for your
father to be
happy.

But?

I wanted to
wish for the
curse to be
broken...

Then ~~we~~
will break the
curse, together. No
magic bottle, no
3 wishes.

REVIVAL

I'm finding myself.
I'm finding my inner voice. I'm
enjoying myself, my peace, my silence.
I'm enjoying the sunlight, the wind that
brushes my face, the smell of the wet earth.
I'm thanking for what I have and what I am.
And do you know what I need
to do this?

WELCOME TO THE ZOO

These animal stories were the final project of Art 107.002 students. Their truest test was creating amidst crisis. Thank you for reading their stories and please reach out to them as these stories reached you.

May this zine serve as a reminder that humanity exists even in this zoo.
