Academic Progress Tile - Fall 2019 Updates

The MyUNLV team has rolled out an improved Academic Progress tile in the MyUNLV Rebel Student Homepage. You can view your academic progress and what-if reports, learn about and apply for graduation, access Campus Comment to schedule appointments with advising, career services and more, and find advising center contact information. Should you have any problems accessing information in the Academic Progress tile, please contact the Office of the Registrar; registrar@unlv.edu or 702-895-3443.
Navigation

Below you will find a detailed list of the navigations and the processes you can run or access with each navigation.

Academic Progress
The full details of your academic progress report.

Expected Graduation Term
Once you have applied for graduation, you will see the term you expect to graduate and your current student status.

Apply for Graduation
Here you are able to submit an application for graduation.

Campus Connect
Undergraduate students can schedule appointments with many campus resources including advising and career services. You will be automatically logged in to Campus Connect if you have access to the system. Contact your advising center if you are experiencing issues with Campus Connect.

What-If Report
Run through different scenarios in the What-If report to see how different courses will impact your academic progress.

Advising Centers
This navigation will display contact information, with clickable links and phone numbers, for each of the Advising Centers.
