Where do I go for services?

When you need care, consider the Student Health Center (SHC) on campus as your first stop. They can provide many of the routine health services you need. Services obtained at the SHC are covered at 100% with the annual deductible waived. You may visit any licensed health care provider directly for covered services, except for specific Plan restrictions on certain services. A SHC referral is not required, and it does not guarantee services received will be considered eligible expenses under the plan, nor is it a guarantee of payment. However, when you visit a Preferred Care Provider, you'll generally have less out of pocket expense for your care. To learn more about Preferred Care Providers, visit www.studentinsurance.com and choose CIGNA PPO Choice Fund.

Insured dependents are not eligible to use the UNLV SHC. The benefits listed in the Schedule of Benefits are available to the insured dependents.

**Providers are independent contractors and are not agents of Cigna. Provider participation may change without notice. Cigna does not provide care or guarantee access to health services.*
