

# New Mobile Science / Mobile Maker Lab Open House

Stop by and get a sneak peak at UNLV's new "Tech Trekker" lab and let us bring hands-on, STEM learning to your classes!

**Saturday, February 23, 2019**  
**10am—2pm**  
**University of Nevada, Las Vegas**

Science and Engineering Building (SEB)  
 Building 20 on [www.unlv.edu/maps](http://www.unlv.edu/maps)  
 (free parking in any Staff or Student non-metered space)

The hands-on projects are aligned with NGSS standards and available for ALL grade levels. Examples of projects:

Elementary	Middle School	High School
Renewable Energy	Hydrology	Renewable Energy
Engineering Design	Geology	Waves
Electricity	Renewable Energy	Manufacturing & Design

Beginning March 1, the "Tech Trekker" will be available throughout the traditional school year. To find out more and reserve it, visit <http://techtrekker.egr.unlv.edu> after March 1, or email [techtrekker@unlv.edu](mailto:techtrekker@unlv.edu).
