Google

Engineers are coming to campus!

Google Cloud Hero

PLEASE BRING A LAPTOP for the labs!

Do you want to be a Google Cloud Hero? Come learn more about Google Cloud Platform solutions and gain cloud skills through a hands-on, competitive lab experience. During this 3-hour session, you'll hear why cloud solutions are integral, get access to further learning and career opportunities for a cloud-first world, and compete in a final game to be named Cloud Hero!

- February 24, 2020
- Monday, 4-7pm
- Lied Library - Amargosa Room
- All Students

Mock Interviews

Practice your interviewing skills with a Google Engineer! Every student will get a 30 minute slot to work through a simulated Software Engineer interview question and receive some feedback. https://goo.gle/2uqGFS4

- February 24, 2020
- By appointment
- Lied Library - Amargosa Room
- Computer Science or similar

Life of a Software Engineer and Networking

What is it like to be a software engineer at Google? Join us as Googlers share day-in-the-life stories about their work and provide an inside look on what makes engineering at Google unique.

- February 25, 2020
- Tuesday, 5-6:30pm
- TBE - Great Hall
- 1st and 2nd Year Students

Build for everyone
